Communicating across Generations

Nancy A. Colflesh, Ph.D.
Educational Consultant & Leadership Coach

Description: It is not uncommon for three or four generations of administrators, teachers and staff to work in our current school settings.

This "new" diversity brings opportunities and challenges and also influences the retention of leaders, faculty and staff in our schools. During this session, we will learn the characteristics of each generation in the workplace, discuss what drives them, and understand the best ways to communicate with each one.

- 2:30 p.m.** Break
- 2:45 p.m.** Generations Continued
- 3:40 p.m.** Closing Remarks
- 3:45 p.m.** Adjourn
