Here is the [complete list](#) of this year's winners. If you would like to review this year's entries, please visit FRED and select the MSPRA 2016 Communications Contest folder.

Congratulations to all our winners!

### MSPRA ANNOUNCES ITS 2016 SUPERINTENDENT COMMUNICATOR OF THE YEAR

The MSPRA Board would like to recognize and congratulate Mr. Jamie Cain, Superintendent of Port Huron Schools, for being selected this year's Outstanding Superintendent! Cain created a dedicated Communications Department for Port Huron Schools, hiring a first-ever Director of Community Relations and Marketing. He has worked closely and consistently with the Director and local media across all platforms to create a clear, cohesive and accessible voice for the school district.

Mr. Cain was hired by Port Huron Schools' Board of Education in 2014 after serving four years as superintendent in neighboring Marysville School District. Brought in as a "change agent," Cain and his leadership team developed an actionable guide to the district's new mission, vision, and goals for success, called "Blueprint for Success."
